

FIELD OF INTERVENTION

CROWD CONTROL

ANTI-RIOT & MOB CONTROL Vehicle

You should appreciate particularly ...

- Its spacious cab offering a surround vision and the possibility for the crew to stand.
- The reinforced cab air conditioning system for long station
- A good Power/Weight ratio
- The logical and easy controls.
- The protection it offers to the crew
-
- The means of riot controls it offers:
 - Water projection
 - Colour dye projection
 - CSL stun gas projection
 - Foam on fires without exposing the vehicle's crew
- It permits afterwards Police operations (colour, video) for arrest of demonstrators,.....

Photos and documentation not binding
